COMP 354: Diary - Iteration 3

Anne-Laure Ehresmann
ID: 27858906

April 9, 2018

March 25, 12:30-4:00 pm 2018

Met up with Hrachya, Dongyu, Kadeem in library to discuss coding tasks, help plan steps for implementing them.

April 1st, 13:00-17:00, 2018,

Wrote the introduction to the test document and test plan.

April 4th, 14:30-17:30 2018

Met up with Hrachya in the library, wrote up use cases 9-13 in the requirements document, completed every use cases except the traces to tests.

April 6th, 17:30-20:00 pm 2018

Met up with Hrachya in the library, did performance tests with YourKit java profiler.

April 7th, 17:00 18:00 2018

Added text description to the performance tests

April 8th, 2018, 10:00 24:00

Fixed test plan (wrong acceptance testing understanding), did acceptance testing scenario 1,2,4, added stopwatch tests and static performance tests, wrote installation test for linux, added lots of description to the design document.
